1. About Bluepeak

Bluepeak Electronics sells laptops, phones, tablets, audio products and accessories through four sales regions: North, South, East and West. Each region is led by a Regional Manager who approves discounts, travel and leave for the sales team.

Our product range includes the Volt X1 Laptop, Volt Air Laptop, Pixel Pro Phone, Pixel Lite Phone, TabMax 10 tablet, EchoBuds earphones, BassBox Speaker and ChargeHub 65W charger.

2. Leave Policy

Every full-time employee gets 18 days of annual leave per calendar year. Employees also get 12 days of sick leave per year. Sick leave of more than 2 days in a row needs a doctor's certificate.

Annual leave must be requested using form LV-204 at least 7 days in advance. The Regional Manager approves or rejects the request within 3 working days.

Up to 5 unused annual leave days can be carried forward to the next year. Any unused days above 5 expire on 31 December. Employees who take more than 18 days of annual leave in a year will have the extra days treated as unpaid leave.

Employees may work from home up to 2 days per week, with their manager's approval.

3. Travel Policy

Domestic flights must be booked at least 14 days before travel, in economy class. Hotel costs are capped at Rs. 5,000 per night. The daily food allowance (per diem) is Rs. 1,500.

All business trips need approval using form TR-11 before booking. Expense claims must be submitted within 30 days of returning, with receipts attached.

4. Discount Policy

Sales Executives may give a discount of up to 10% on any order without approval. Discounts above 10% and up to 20% need written approval from the Regional Manager.

Discounts above 20% are not allowed under any circumstances. Any order with a discount above 20% is a policy violation and must be reported to Sales Operations within 2 working days.

5. Q3 2026 Sales Targets

The Q3 2026 period runs from 1 July 2026 to 30 September 2026. Targets are measured in units sold (all products combined) per region.
